1) Read and colour

My name is Harry. I'm nine years old. I'm a student. I live in a small town with my parents and a little sister. I get up at 7 o'clock in the morning. I wash my face, I put on my clothes. In my school students wear uniforms. The boys wear a blue jacket, a red shirt, green shorts, red socks, blue shoes and a blue hat. The girls wear a pink hat, a purple jumper, a white blouse, a grey skirt, pink socks and black shoes. Then I have breakfast: I eat milk and cereal and I drink orange juice.

The Music lesson is on Monday at 11 o'clock and I'm happy because I play the guitar and I like music!

A Trip to England

Listen to the teacher and read the story.

Sara and Danny are from Spain. They go to England for two weeks. They go in June and stay in a college with other students in Cambridge. It's really exciting because they meet students of different nationalities. They speak English every day. In the morning they study English with the other students. In the afternoon they visit different places or play different sports at the college. They like sports! In the evening they are tired so they sometimes watch TV or play board

games. The best days are Saturday and Sunday because they travel to London. The city is very big and they visit all the monuments like Big Ben, The London Eye and Buckingham Palace. They like everything in the city, but their favourite things are the museums, especially Madam Tussauds.

They also like parks because they can see squirrels and swans. They love animals! At the end of the two weeks, they are sad to return home.
